March 2007 Snow News & Minutes

President's Corner

Can you believe it we can snowmobile? I was out today with my family and our trails where really great. Mark and Gene have really done a good job in grooming our trails. On behalf of the entire club we want to say a big thank you for a job well done.

Also I would like to say a Big Thank You to our meeting & events Chairperson Eva Gnad, and her helpers Kathy Lawrenz at the event, and Paula Lambert and Gene Duffy who got all the prizes. We had 59 people attend and we raised \$584.00 for the Brazeau Rescue Squad. Also I want to thank the members who attended to make this year Dinner Ride a success.

This coming Saturday March 10th we have our monthly meeting scheduled. We have some things that are important that we need to discuss, but I promise it will be a short meeting so we all can snowmobile. So please attend.

I would like to close by thanking the members who have renewed their membership again this year, and those new members who have joined our club. Your continued support is greatly appreciated.

Membership Drive

We have had the best year ever. As of today we have surpassed our goal and we have 113 paid family members. I can not tell you how happy I am with the support we have received with the members that renewed, and the new members that have joined. Please see the chart below with all of the details.

It is with an active membership that the fall and spring work gets completed allowing all of us to enjoy an excellent trail system to ride on. For our new members if you have not attended one of our meetings I hope you will. You will find really a great bunch of members.

The President, Roy Lawrenz at 10:10 A.M. called the meeting to order at Wouter's Front II. There were nine members present.

Third order of Business: Old Business:

Trail Report:

The funding and supplemental funding was discussed. Also was discussed if we should receive more snow if grooming should be done.

Members were given an update on the Club Dinner/Ride. Because of the snow conditions it will probably be just the dinner. As of this meeting 14 landowners replied they are coming. Roy Lawrenz gave a report on what will be happening that evening.

New Business:

The Treasurer explained an IRS tax penalty.

A tree that was cut up on Jacho Lake was discussed as the landowners are doing selective harvesting. Roy Lawrenz will handle this matter,

Tom Stadler showed, members maps he had made up for identifying trails with numbers, to be used for identifying trails for grooming and work to be done.

It was brought up that the grading done on the pipeline worked out well. And all other places that where graded (plowed fields). The club is going to look and see if it would be feasible to lease one. Roy Lawrenz will put the figures together and see if it is feasible.

If any member would like their AWSC card, contact Roy Lawrenz.

Tom Stadler thanked all who helped with the work on the new bridge that was put in place two weeks ago. A special Thank You to Mark Kuchta for the help with his tractor.

A question was asked why there is no club Trustees or directors, or club audits? After a discussion it was decided that Debbie Baumberger and Barb Duffy go through the by-laws and see what has to be done to have the club functioning in compliance with the by-laws.

Gene Duffy is to check with Oconto County on when and where 4 wheelers or Gators can be used for trail maintenance and report back at next meeting.
