April 2018 Snow News & Minutes

Presidents Corner

Well the season is over as I am writing this newsletter but for our club the work is not over. All those trail signs that were put out this past fall and they all have to come back in this spring.

Important Notice

The meeting date for our April meeting has been changed from April 7th to April 14th. The meeting will be held at 9:00 am, and it will be a work weekend. It will be held at our storage building by Lee Lake Tavern.

Our last club event for the season is our Landowner Appreciation Dinner. This event is very important for our club and the community. We give back to the community by raising money for the Brazeau Rescue Squad. The reason we started this program is because of the support we get from them. They have purchase special equipment to rescue an injured snowmobiler on our trail system. I can tell you it really works well. Stan Holtger and myself took part in a training exercise where we pretended to be injured snowmobilers on the trail. The ride out to the ambulance on this equipment was very smooth and works well.

We will have 13 bucket Raffles from donations from over 40 businesses valued at \$130.00 to \$140.00, and a Fifty -Fifty Raffle. All money raised will go to the Rescue Squad. Please come out and support your club and the Rescue Squad. Make your reservations today.

President

Annual Landowner Appreciation Dinner

The Landowner Appreciation Dinner will be held again this year at the Holiday Inn on Kelly Lake, on April 6th. Dinner will feature Romy's great Chicken, Tips, and Fish Family Style for only \$20.00 per person. Will be served at 7:00 pm, enjoy cocktails before.

We use this event to thank our landowners for allowing us to cross their land by inviting 2 people from each family as our guest. We also use this event to raise money for the Brazeau Rescue Squad. Over the years have raised over \$13,000 for the rescue squad at this event.

Please register for this event by calling me at 920-897-2499 our dropping me an e-mail at roylawrenz@msn.com so we know how many people to plan for.

Receive Your Monthly Newsletter by e-mail

At our last meeting we discussed giving the option to our membership of receiving your monthly newsletter using e-mail. Fifteen members are taking advantage of receiving the newsletter by e-mail. All you have to do to receive your newsletters by e-mail is e-mail me at roylawrenz@msn.com and we work to put you on our e-mail list.

Roy is now printing the newsletters on his own computer which is saving the club money.

Roy has begun work on the Landowner's Appreciation Dinner and thus far 8 people have signed up. He has started getting donations for the bucket raffles. Next week the invitation will go out to landowners.

Snowmobile Alliance News: As of Feb. 15th, meeting there were 15 snowmobile fatalities in the state- 2 were alcohol related. The annual snowmobile convention will be held March 23-25 at downtown Green Bay Convention Center.

Roy mentioned that the all-day ride was a huge success - thanks to Tom and all the riders. There was a

discussion to go back to the overnight ride or stay with day ride. The consensus was to do both depending on snow. It was suggested to take the day ride early in the season and overnight later in the season. As per the suggestion to change the route, Tom suggested the ride to Antigo one way and home a different way. If we decide to stay overnight in Carter, need to make reservations now. There was also talk of splitting a large group into slow riders and fast riders. Discussion will continue next month.

A discussion to change the next meeting date from April 7 to April 14th was held as Roy and Linda cannot attend. Roy invited all to join him at Our Redeemer Lutheran Church for their annual Danish breakfast on April 7th, 2018. The motion to change the date was made by Jerry Frye. Linda Holtger seconded it. Motion approved.

Roy would like hours worked sent to him so he can document them. Tom reminded workers to document pulling sign times and to place hours in slot in club storage building. Motion to do so was made by Adam Krause and seconded by Chuck Panure. Motion approved.

TRAIL ISSUES - Burt mentioned as a groomer driver that the trail on Peshtigo Fire Brook Road needs to be widened. This may be a good summer project.

Tom presented options as to how to move the Suring Golf Course Trail; a detailed discussion followed in regards to cutting a new trail. If we choose this option we will need 10 to 12 new land owner's permission. At next meeting Tom will have webpage Ap. "The Hunter" printed out with all the landowner names and property blocks so we can hopefully recognize names and approach them about land use. There will be more discussion next month.

Roy passed around a sign- up sheet for those planning to attend the Landowner Appreciation Dinner.

There was a discussion on removal of barrels on Ross Lake. Someone will check on it. Need to order new arrow signs for next year.

A motion to adjourn the meeting was made by Linda Holtger and seconded by Jerry Frye. Motion approved.
