### Presidents Corner

Hello everyone, my name is Adam Krause, I am happy to introduce myself as the newly elected Club President. I have been an avid snowmobiler since the age of 3. I introduced my wife Meghan and son Maverick to the sport as well. It is now one of our favorite winter activities. My family and I reside in Appleton, and have owned a cottage in the Kelly Lake area since 2014. Growing up a snowmobiler, I understand the hard work it takes to keep the sport alive, along with ensuring we respect our land owners as they provide us the privilege to use their land to enjoy our sport!

I look forward to seeing familiar faces along with welcoming new individuals to our snowmobile club. **Mark your calendar—our first meeting is Saturday, September 10<sup>th</sup> at the Club Shed** (Behind the Lee Lake Storage Units.) – For details: see Facebook, our website or email me at [bbjoyriders@gmail.com](mailto:bbjoyriders@gmail.com).

**Special Notice** – As club leadership we are working to update and verify membership records. We are sending a paper copy of this first newsletter to all members. You will be able to select your communications preference (paper or electronic) on your membership renewal.

As always, we will have a lot of trail preparation work i.e. brushing, marking and maintaining to perform this year. Along with the normal early season work we also are replacing a bridge on trail 11. I encourage members to attend our monthly club meetings and follow/like us on Facebook to participate with trail work and become active in our club!

### Membership Chairman Report

As a new effort this season, I am strongly encouraging our members to renew their club membership using the [www.bbjoyriders.com](http://www.bbjoyriders.com) website.

The electronic renewal process was improved last season and worked great! Please see insert included with this newsletter for detailed instructions. Using the website will help streamline the membership renewal process and reduce mailing costs to you and the club. I understand not everyone will be able to utilize this digital process, so I will continue to send out the renewal envelopes over the course of this season as we work toward the new goal.

I encourage all members to renew early! This is the best way to ensure you receive your trail pass as soon as possible.

If you have any questions regarding your membership to the AWSC, you can contact me at 920-841-9010 or e-mail [bbjoyriders@gmail.com](mailto:bbjoyriders@gmail.com)
